BERTHAND, who had been occupied in sick rooms and

with the care of sick people, for over fifty years. It is made purely and entirely of Plants, Herbs and Roots, and is exceedingly agreeable and pleasant to both the taste and smell, being warm. aromatic and spicy. It is a most thorough purge, cleaning out the bowels without pain, and without nausca or sickening. It does not weaken, and leaves the system open and free, never drying up the bowels afterwards, as every other purge that we know of does. It can be given to infants and invalids with safety, and in every case of old or young, it is guaranteed to cure the worst cases of conscipation, indigestion, and all diseases that affect the stomach and bowels. It is, in reover, a powerful stimulator and INVIGOR OR OF THE LIVER, Its effects upon the blood and humors is semething really astonishing, and is much more immediate and thorough than that of any other purifier yet discovered, having the great advantage, that when it has, by its depurating powers, set free in the system the poisons of Scrofula, Sait Rheum, Malignant Ulcerous Sores, and Cancerous gatherings or lumps, it instantly carries them out of the body by purging the bowels. No other purifier does this; with all of them the patient ment take pills, or some other equally nauscous dose of physic, or if they do not, the poison remains in the system, and goes back into the blood. REUTER'S LIFE SYRUP is exceedingly pleasant to take, needs no second dose to purge the bowels, and does all the work required to effect com-
